

# Cornhole Rules

## Walmart Games 2024

- Tuesday, October 15<sup>th</sup> from 5:45-7:00pm
- The team captain (only) will register. Cornhole is a 2-person team event. This event will either be a double elimination tournament or a round robin tournament depending on the number of entries.
  - Rules
  - The distance to the front edge of the Cornhole boards will be 21 feet apart.
  - Each team plays with 4 bags.
  - Coin toss will decide bag color. The red team tosses first in rounds 1, 3, and 5 and the blue team tosses first in rounds 2, 4, and 6.
  - The red and blue teams will alternate tosses until all 8 bags are thrown.
  - Games will be 6-round games (3 rounds per teammate). The highest score at the end of 6 rounds is the winner. You do NOT need to win by a margin of 2. In the event of a tie, a sudden death round occurs and the winner will be the first team to take a lead at the end of the round. (Sudden death scoring does not count towards scoring average).
  - Bags that hit the ground and bounce up on the board or are half on the board and half touching the ground should be removed before another bag is thrown.
  - Scoring
  - 3 points for each bag in the hole
  - 1 point for each bag on the board
  - All points count. For example, if Team A scores 5 points in a round and Team B scores 3 points in that same round, the score is 5 to 3.
